**MINUTES OF THE HYBRID ANNUAL GENERAL MEETING OF THE GALLOWAY CATTLE SOCIETY**, held on Friday, 28<sup>th</sup> May 2021 in Walleys Marts, Castle Douglas commencing after the previous AGM.

Mr Duncan Maxwell, Chairman of Trustees, presided, and in attendance Mrs D Goldie (Secretary)

Present: Messrs AM Brown, D Cornthwaite, J Finlay, P Hunter Blair, A McConchie, A McClymont, S McKinnon. R McTurk, S Redman,

Zoom: Messrs D & D Heath, J Smyth, T Madden, S Martin, A Waugh, A Tullie.

**1. Apologies:-** Messrs B Douglas, D Forbes, G Gourlay, J Heard, G Irving, K Laurie, M Partridge, A McMillan, G Noble and Miss C Ross.

**2. Minutes:** The Minutes of the Annual General Meeting held on 28<sup>th</sup> May, 2021 in Walleys Marts, Castle Douglas, were read by the Secretary and were approved by Mr S McKinnon and seconded by Mr D Cornthwaite.

**3. Report of Council:** - Mr Duncan Maxwell read out the report of Trustees and stated that the majority of the Society's activities had been covered in the Breed Journal. It had been a very unusual year due to Covid and restrictions related to the pandemic. At least our spring and autumn sales were able to go ahead, the spring sale in Castle Douglas had been a great success, one of the best in recent years, increased averages and 6 new people buying into the breed. The Carlisle sales had also been successful and the spring sale saw our Honorary patron Mr G Noble disperse his herd and the autumn sale could have achieved higher prices but another lockdown had been enforced the night before the sale which meant many Scottish purchasers did not travel. With the world pandemic still in place, all shows were cancelled resulting in a change of publicity policy and most of the Society's publicity had been carried out on Social Media. The office was moved to the Secretary's home as per Government advice and the day to day running of the office had continued as in previous years.

This report was approved by Mr A McClymont and seconded by Mr J Finlay.

**4. Accounts:** - Mr AK McConchie gave the following report. 2020 was a very different year for everyone. Even the Galloway Cattle Society has been affected by Covid. Our accounts showed a drop of £1,132 in income. This was largely due to a reduction in income from our investment portfolio which was down approximately one third to £4215. This income is still an absolute lifeline to the Society.

Our income from registration fees and commission and levy on sales increased thanks to the increase in fees implemented recently.

Society expenses are quite different from previous years:- no show expenses and staffing costs were down considerably due to less activity on the show circuit and the office being closed.

This year we have written off a number of outstanding debts which have been lying on the books for several years. Hopefully these will not accumulate again as the policy of not servicing members with outstanding accounts will be strictly adhered to.

A large expense was the Galloway Beef Leader Programme which has given us some hard work and some well-deserved publicity. This has now come to an end. Hopefully the benefits of this programme will continue in future years. It has proved a challenge to budget for the Leader Programme as we could not predict when grants were to be paid. As a result we had to draw down

£20000 from our investments to cover our cashflow. As of today's date, this money has been reinvested with Rathbones, our Stockbroker.

All said and done we are showing a loss of £3359 for the year. Hopefully Society Activities will return to a more recognizable pattern this year, when we should have more control of our Finances.

In the Balance Sheet our investments at the end of the year are showing a drop of approximately £21,000 due to withdrawal of funds of volatility of the stock market. The RBS Instant Access Account was carrying a considerable amount of cash and £20000 has been deposited with Rathbones, to generate income and growth.

At the end of the year our assets were down £12,728 on the year.

As there were no questions the report was approved by Mr S McKinnon and seconded by Mr J Finlay

## **5. Appointment of Office Bearers: -**

As the Honorary President and Honorary Patrons are fixed for a period of five years, the following will be in place till 2022.

### **HONORARY PRESIDENT: -**

The 10th Duke of Buccleuch and 12<sup>th</sup> Duke of Queensberry, KBE., FRSE, DL

### **HONORARY PATRONS:-**

Mr WFE Forbes, Earlstoun Lodge, Dalry, Castle Douglas.  
Mr CG Noble, West Acres, Kirkclinton, Carlisle.  
Mr AM Brown, Drumhughry, Corsock, Castle Douglas.

**6. To Re-appoint the Auditors and authorise the Trustees to fix their remuneration:** Mr A McConchie proposed that Messrs Carson & Trotter CA, 123 Irish Street, Dumfries, be re-appointed Auditors to the Society. Mr S McKinnon seconded this.

**7. Any other Competent Business:** - At the AGM of the Galloway Cattle Society on 28<sup>th</sup> May 2021 where there was a quorum present, the following resolution was passed:-

Rathbones remain appointed as invested manager for the portfolio for the Galloway Cattle Society, this was proposed by A McConchie and seconded by Mr A McClymont.

In preparing these the Council are required to:

## **The Galloway Cattle Society Of Great Britain And Ireland**

### **Independent auditors' report to the trustees and members of The Galloway Cattle Society of Great Britain and Ireland**

We have audited the financial statements of The Galloway Cattle Society of Great Britain and Ireland for the year ended 31st December 2021 which comprise the statement of financial activities, the balance sheet, cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the society's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and to the Charities Trustees as a body, in accordance with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 10 of the Charities Accounts (Scotland) regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the society's trustees and members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the society's members as a body and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the society's affairs as at 31st December 2021, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (applicable to smaller entities); and

- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the council members use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or

- the council members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The council members are responsible for the other information. The other information comprises the information included in the council members' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **The Galloway Cattle Society Of Great Britain And Ireland**

### **Independent auditors' report to the trustees and members of The Galloway Cattle Society of Great Britain and Ireland**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the council' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of council members remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the council members were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report.

#### **Responsibilities of trustees**

As explained more fully in the council' responsibilities statement set out on page 4 the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

## **The Galloway Cattle Society Of Great Britain And Ireland**

### **Independent auditors' report to the trustees and members of The Galloway Cattle Society of Great Britain and Ireland**

#### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, to detect material misstatements in respect of irregularities, including fraud. In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following :

- Review of the financial statements disclosures and testing to supporting documentation to assess compliance with provision of relevant laws and regulations described as having a direct effect on the financial statements.
- Enquiring of management concerning actual and potential litigation and claims.
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- Detailed and re-performance testing of specific controls and calculations.
- Reading minutes of meetings of those charged with governance.
- In addressing the risk of management override of controls, testing the appropriateness of journal entries and other adjustments, assessing whether the judgements made in making accounting estimates are indicative of a potential bias.
- The audit team remained alert to any indication of fraud or non-compliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulations. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

**The Galloway Cattle Society Of Great Britain And Ireland**

- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## The Galloway Cattle Society of Great Britain and Ireland

### Notes to the financial statements for the year ended 31st December 2021

#### 1. **Summary of significant accounting policies**

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### **General information and basis of preparation**

The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with Accounting and Reporting by Charities : Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102)(effective 1 January 2015) - (Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Charity constitutes a public benefit entity as defined by FRS102.

##### **Coronavirus and going concern**

At the balance sheet date, the Society had a strong net current asset position and the continuing support of its directors. At the time of signing these accounts, the directors have considered the effect of the Coronavirus on the going concern position, and consider that this does indicate that the Society will continue to trade for a period of at least 12 months from the date of signing these accounts due to the resources available to it and the UK Government support available to businesses during this difficult time.

On that basis, the financial statements are prepared on a going concern basis under historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

##### **(a) Charitable Status**

The Society is a registered charity, registered charity number SC008870, and accordingly no liability to Corporation Tax arises on these accounts.

##### **(b) Fund Accounting**

The Unrestricted Fund is expendable at the discretion of the Council Members in furtherance of the objects of the Society.

##### **(c) Income Recognition**

All income is included in the Statement of Financial Activities when the Society is legally entitled to the income, probability of receipt and the amount can be measured with sufficient reliability. Investment income is accounted for in the period in which the Society is entitled to receipt.

##### **(d) Expenditure Recognition**

Expenditure is included on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that settlement will be required and the amount can be measured with sufficient reliability.
