Introducing Kirsten Wallace, Shadow Judge for the 2025 Castle Douglas Spring Show

Kirsten Wallace, 27, works alongside her parents, Jimmy and Margaret, on the family farm at Fingland, Dalry, Castle Douglas. The farm, which sits at 1,000 feet above sea level, is home to 30 Galloway cows, 20 crossbred cows, and 600 Blackface ewes. Kirsten also works part time in the office at Lawrie and Symington's Lanark Mart and loves showing cattle at both summer and winter shows.

Introducing George Irving, Bull Judge for the 2025 Castle Douglas Spring Show

I farm at Mountbenger, in the heart of the Yarrow Valley, in partnership with my wife Kirsty, and my mother. We farm around 2500 acres at Mountbenger, mostly hill land, on a Full Tenancy from Buccleuch Estates. Our hill cattle consist of 30 Pedigree Galloways, calving in the spring to either a Galloway or Beef Shorthorn bull. The female offspring are kept for replacements, with the cross breeds being kept inbye & bulled with an Angus. All calves, not kept for breeding, are sold at around a year old each spring. The Galloway cow on the hill is at the top of our pyramid system. Our cows are easily managed, look after themselves & their calves on minimum input then get back in calf easily to maintain a tight calving pattern. I also have a Pedigree herd of 10 Beef Shorthorn cows, and sell a few Bulls & excess heifers from them. Our ewe flock consists of 500 Blackface, 500 South Country Cheviots & 320 Hill North Country Cheviots, all of which are bred pure. I would like to take this opportunity to thank the Galloway Cattle Society for giving me the opportunity to judge the bulls at their premier breed sale. I would also like to wish all the consigners all the very best for a great sale.

GALLOWAY CATTLE SOCIETY

Tel 07760623985

Introducing Alistair Warden - Female Judge for the 2025 Castle Douglas Spring Show

I'm a third generation farmer at Skelfhill Farm, Hawick. My grandfather purchased the farm in May 1961. Skelfhill spans 3200 acres, predominately hill farm, with 450 inby and 2750 on the hill.

I farm alongside my fiancée Leisa & our two mad keen daughters, Torrin (10) & Eildon (9). In partnership with my parents Robert & Irene.

Our livestock included, 950 South Country Cheviots, 600 North Country Cheviots, 350 Blackies, 30 Suffolks, 20 Texels, Eildon has 4 Bluefaced Leicesters, Torrin has 2 White Galloways, 30 Luig to Sim bull, 60 SimLuig to Lim bull, 20 Galloways bulled pure.

All Galloways were purchased privately from the amazing Findlay family at Blackcraig. We began our Galloway venture in 2021 and we aim to run 30 pure on the top end of Skelfhill.

Our bullocks are sold at Kircambeck sale at Longtown at 18 months old. They calved in hill enclosures April/May and for the rest of the year, they graze on the hill, extremely steep rough grazing 1750 ft above sea level. These cattle are amazing foragers, with fantastic temperaments and great mothers. We find them super to work with, and you can't beat seeing them grazing out at the top of the burn head, we have never had cattle grazing out all year on that end of the farm.

Our Galloways are proving to be exactly what we hoped for and are definitely doing the job we had wanted in terms of working with the land.
