

Dispersal of

The Balgray Herd

of Black Galloway Cattle
(including Semen)

on

Behalf of D & R Cornthwaite

Saturday 25th October 2025

within Wallets Marts Castle Douglas

at 11am

Kirkstead Expert purchased for 6500gns - Castle Douglas Feb 2022

Troloss Impeccable – Male Champion Royal Highland Show 2015,
purchased for 9200gns with Alan McClymont

Foreword

Due to the end of our farm tenancy and therefore subsequent decision to retire, the herd of Balgray Galloways is offered for sale.

The herd was established in 2009 with the purchase of in-calf and bulling heifers at Society sales. The aim was to maximize production from moderate hill ground where our continental cattle had struggled, and the Galloways managed this with ease.

In 2022, after losing tenancy of the hill ground we reduced the herd with private sales from 100 to 40 cows retaining predominantly young cattle. All the cows offered for sale are 7 years old or younger. The cattle have always been managed on a commercial basis, with breeding animals selected on their size, shape and milking ability.

Cows offered for sale are predominantly by Troloss Impeccable, Ben Lomond Blackthorn and Octavius of Balgray (full brother to Lots 2, 4 and 14). The heifers and calves are by Kirkstead Expert.

Over the years we have enjoyed success in the Society sales at Castle Douglas and in the show rings. Notably the sale of Oryan of Balgray (full brother to Lot 16) sold for 11,000gns to Fingland and Over Barskeoch herds and Nucamp of Balgray (full brother to Lots 6 and 8) sold at 15mths old for £8000 to Blackcraig herd.

In the show ring Phoebe of Balgray (Lot 4) was Junior Interbreed at the Great Yorkshire Show 2021 and Interbreed Champion at Dumfries Show in 2022, plus several other breed and interbreed championships. Ufemia of Balgray (Lot 50) was Reserve Interbreed at the Westmorland Show at 12 months of age in 2024 and has continued to win rosettes in 2025.

Our herd health status has always been a priority.

We look forward to welcoming you to the sale which is a genuine complete dispersal which should appeal to those in search of good quality cattle of all ages. These cattle have given us much pleasure over the years and made us many friends and we are confident they will continue to do so for their new owners.

Any animals purchased may return to Balgray for a period up to 2 weeks free of charge, but on the understanding that they do so at the owner's risk.

Our thanks go to Jason McKinnel for all his hard work and to Dorothy Goldie for her patience! Also, to the staff at Wallets Marts for their assistance with this sale.

We have, and always will stand by anything we sell. Our thanks go to those who have purchased from us in the past and we would like to wish prospective purchasers' success in the future.

David and Rosemarie Cornthwaite

Herd Health Details

- The herd is a member of the SAC High Health Scheme
- The herd had a clear TB test in Dec 2024 and are on a 4-year testing regime.
- The herd has a BVD Accredited status since 2017
- Johnes Risk Level 1 (since 2016)
- The cattle were scanned on 6th October and details are given.
- All animals born before 01/07/2025 are double vaccinated with Bultavo 3 for Blue tongue.
- Calves Lot 1 to 17 have been double vaccinated with Bovipast RSP
